Around the Square

Townspeople did a "double take" and hastily phrased a few resolutions early Saturday afternoon. What they saw made them rub their eyes. It was the "old boy" himself.

Bethany Church officials, never at a loss for a new publicity idea, tried this one Saturday to drum up business for their Vacation Bible School. We don't know if it was the devil gag that did it, but they had 182 youngsters enrolled Tuesday.

Last year it was gliders. Stamped messages on the balsa wood wings served as the tub-thumping gimmick for Bethany's 1950 Bible School.

Joe Grippi, 51 N. Mountain Trail, had a lot of explaining to do one night this week.

Sierra Madre police got a call from the West Hollywood PD stating that they were holding a "short, heavy-built man" who had parked a Sierra Madre fire truck on a Hollywood street, put a gun in his pocket and entered a cafe. A corner newsboy probably thinking he was about to witness a hold-up, reported the "suspicious actions."

The "fire truck" later turned out to be Joe's own sedan, equipped with a local Fire Department emblem on the license plate. Sierra Madre officers explained that Grippi "is OK" and that he has a permit to carry a gun.

With the admonition that Joe's gun permit be brought up to date (it had expired in 1949) the WHPD sent the Sierra Madrean on his way.

Come to Dance 'Stag or Drag'

Come stag or drag.

This was the invitation extended Sierra Madre young people for tomorrow evening, June 22, at the city parkhouse.

Liberally translated, the "stag or drag" reference means youths can attend the free city-sponsored record dance alone or with partners as couples.

John E. Oden, city recreation director, said the emphasis will be on informality, with dancers wearing dressy sports clothes. "Ties and other 'frills' can be left at home," he added.

Sierra Madreans of high school through junior college ages are invited, with dancing planned from 8 to 11 p. m. Youths are urged to bring their own favorite records, and refreshments will be served.

Members of the planning committee include Elsa Seifert and Joyce Lange.

Salli Wins Acquittal of Drunk Driving

Rudolph Salli won acquittal Saturday on drunk driving charges, but paid a $35 fine on a city intoxication ordinance.

Salli, who was represented in court by Attorney Frank J. Ryan, was arrested May 8 after his car smashed into a telephone pole at Churchill Road and Canyon Crest. Injuring his right knee cap in the accident, the defendant was lying in the road when police arrived.

Firemen to Receive 20 Year Badges

A "testimonial" dinner to honor two Sierra Madre volunteer firemen who have completed 20 years' service has been scheduled for Tuesday, July 17, at the Woman's Clubhouse.

Francis Eakman, chairman of the dinner, has promised that there will be no speeches —just the presentation of 20-year-badges to the two firemen, Andrew Liscombe and Robert Newbery.

Mr. Eakman, who is handling dinner reservations, said many prominent Sierra Madreans are planning to attend. The City Council last week voted money to purchase the badges which will be presented by Mayor William A. Kinney.

PRE-SCHOOL SUMMER SESSION AT CITY PARK

The summer session for preschool children opened Monday and will continue through July. The school is sponsored by the Pasadena City Schools and meets in the city park and in the parkhouse week days from 9 to 11:30.

Teachers announced for the summer are Mrs. Helen Miller and Mrs. Gladys Mohn.

WANTED: ONE TENNIS COACH

City Recreation Director John E. Oden this week issued a call for a tennis instructor.

The volunteer instructor will help with the tennis class he is beginning next Tuesday, June 26, at the city park. Persons interested in helping should contact Mr. Oden.

"Night classes for young adults will be possible if we can get another teacher," Mr. Oden said.

RED CROSS SWIM CLASS STARTS TUESDAY, JULY 3

Sierra Madre's annual Red Cross-sponsored swimming instruction will begin Tuesday, July 3.

Two four-week courses are planned this summer, with instruction offered in beginning, intermediate, and swimmers, junior and senior life-saving.

The first session will continue through July 27, and the second four-week course will begin Aug. 14 and end Sept. 6. Classes meet daily, Tuesday through Friday, 9 a. m. to 12 noon at the Canyon Pool.

Starting her fourth consecutive year as swimming instructor is Mrs. Audrey Smith. Mrs. Florence Peterson, executive secretary of the Sierra Madre Red Cross Chapter, said a life guard will be at the pool during all swimming hours.

"There is no charge for the instruction," Mrs. Peterson said, "and the classes are open to all over 6 years of age. Non-swimmers are invited too, of course."

Upon completion of the courses, qualified swimmers in each classification will receive Red Cross certificates, Mrs. Peterson pointed out.

Sierra Madreans may register at the pool at 9 a. m. on the first days of both classes—July 3 and Aug. 14. Mrs. Peterson said additional information may be obtained by calling the ARC Chapter House, CUster 5-6183.

The city recreation department is giving use of the pool facilities to the Red Cross Chapter, plus any necessary maintenance.

LADY LIONS MEET

Lady Lions of Sierra Madre held their regular meeting Tuesday evening, June 19, at the home of Mrs. Lawrence McGinnis, 381 N. Mountain Trail. Co-hostess was Mrs. Delores Lotze.

Edison Honors Green with 25-Year Pin

Robert Green, local manager of Southern California Edison Company, was honored Saturday on his completion of 25 years with the company.

Mr. Green, who has been manager in Sierra Madre for seven years, was presented the Edison 25-year diamond pin.

Presentation of the pin was a highlight of the company's Monrovia District picnic held Saturday afternoon at San Dimas County Park. Attending were approximately 150 employees and families of both the operating and commercial departments of the district.

Also receiving the 25-year award was Dewey C. Hudson, assistant district superindendent.

C. O. Wedberg, Monrovia district manager of the Edison Company, served as master of ceremonies during the brief ceremony. A. W. Althouse, assistant commercial manager, from the LA general office made the presentation to Mr. Green.

Mr. Green, who served in Monrovia, Pasadena, and Alhambra offices before coming to Sierra Madre, has taken part in the growth of the company from some third of a million customers to its present million plus. Edison Company recently celebrated the installation of its millionth meter in Whittier.

Mayor Calls for Help In All-City Clean Up

KINNEY SAYS TRASH PILES MENACE HEALTH, SAFETY

A stepped-up "clean-up-Sierra Madre" program was urged this week by Mayor William A. Kinney.

Calling attention again to the Clean Up Week proclamation he has issued, Mr. Kinney asked for "greater cooperation to make our city something we can be proud of."

He placed particular emphasis on trash and rubbish piles, which he said are "unsightly, a menace to health, and dangerous as a fire hazard."

Regarding the fire hazard, the mayor pointed out that in every civilian defense bulletin, citys are warned to remove piles of trash which undoubtedly would flare up like gunpowder in the event of a bomb attack.

"I personally am against having any more laws and regulations than absolutely necessary," Mr. Kinney stated. "If all citizens would cooperate by eliminating rat-breeding places, such ordinances as the proposed rodent ordinance would be unnecessary."

"We on the City Council can avoid making new ordinances if all citizens do their part voluntarily," the mayor said.

As to other aspects of the clean-up program, Mr. Kinney said city employees are now taking care of gutters and trying to keep the streets clean.

In conjunction with Clean Up Week, Fire Chief James C. Heasley has been stressing the importance of keeping homes, "inside and out," free of common fire hazards.

WOMAN HAS 'BEEF' WITH PHONE POLE

Mae Heston, 734 W. Alegria, has a "beef" with the telephone company.

She complains that the California Water and Telephone Company erected a pole and guy wire directly in front of her entrance. "And they did it after Director of Public Works Glen Watson asked them not to," the Sierra Madre woman told the City Council last week.

To make matters worse, Miss Heston said, the pole is there entirely to accommodate the Coronet Homes side of Michillinda. The pole, used by the Edison Company as well as the telephone company, serves as a brace for another pole over on Pasadena's side.

On motion of Councilman Noren Eaton, City Attorney T. Guy Cornyn was instructed to ask the utility to correct the situation.

Mr. Eaton also moved that an ordinance be drafted requiring utilities to get permits from the city before installing poles on public property.

VFW to Hear Rev. Singer, Latvian DP

"I Saw the Soviet-Communist Paradise in Latvia," is the topic the Rev. Charles W. Singer has chosen for his appearance at the Sierra Madre Veterans of Foreign Wars meeting next Wednesday, June 27.

The Rev. Singer, a Latvian

REV. CHARLES W. SINGER . . . Latvian DP

Baptist minister who spent 4½ years in displaced persons camps before coming to the United States, lives with his family at 28 N. Baldwin when not on speaking tours throughout the nation.

Since his arrival in this country in August of 1949, Mr. Singer visited 19 states, addressing civic clubs, church groups, and high schools. He has made 30 radio talks.

Through his ministry, Mr. Singer has been able to secure sponsors for more than 500 Latvian DPs. During 1950, he also was instrumental in sending more than $35,000 in food and clothing to needy DPs and refugees in Germany.

The Singer family was sponsored to this country by Dr. George W. Groth of Sierra Madre.

Family Seeks Cat Which Disappeared After Biting Baby

A bite from the family cat is causing a great deal of anxiety for Mr. and Mrs. Alexander Black of 445 E. Highland. The cat bit their infant child last Friday and has not been seen since.

The Blacks fear the cat may have been a victim of rabies, and the child will have to submit to rabies shots unless the cat is found and declared alright.

Mrs. Black said the cat was a 3-year-old male, gray and white tiger, not too large. She is hoping if anyone sees him, they will contact the family.

ENGLAND'S WAR EXPERIENCE SHOWS NEED FOR TRAINING

Although Director William A. Kinney had been sick in bed all day, he routed himself out to conduct the Civil Defense Council meeting Thursday night in the City Hall.

During the evening, it was pointed out that some citizens have adopted the attitude that if a bomb strikes in their vicinity there is nothing they can do to save themselves or others.

England's World War II history refutes this, it was said. Communities which were trained and organized during the latter part of the war were able to reduce their casualties to one third those sustained at the beginning. This was true of suburbs of large cities as well as with large cities.

Federal government officials have stated that their assistance is confined primarily to distributing instructional pamphlets, and that it is up to each small community to take steps to reduce casualties in case of major disaster—or to help adjacent communities if lucky enough to be missed.

E. Waldo Ward, Red Cross branch chief, reported at the meeting that he has completed a physical inventory of the "spare housing" available in Sierra Madre, and a copy of his report has been sent to the County Red Cross office. This will show the number of evacuees Sierra Madre can care for, should disaster strike some nearby area.

'Still Room' In Bethany Bible School

With an enrollment of more than 180 boys and girls, the Summer Vacation Bible School of Bethany Church began Monday and will continue through Friday, June 29.

"We still have room for youngsters of the 7 through 14 year age classification," reports Dewey Mulholland, school director. "Christian Globe-Trotters" is theme of this year's Bible School. Daily sessions start at 9 a. m.

Closing exercises are scheduled for Friday evening June 29, at 7:30.

LAUBER ENDS 29 YEARS ON CITY PAYROLL

Ending 29 years of service to the city, J. C. Lauber submitted his resignation as city park superintendent last week.

Mr. Lauber explained that in view of his "general physical condition, it's for the best."

In accepting his resignation, the City Council instructed the city attorney to draft a formal resolution expressing the council's gratitude for Mr. Lauber's long and faithful service to the city.

"It's difficult to have such people leave the city," Mayor William A. Kinney pointed out.

GOP Speaker Was Skipper Of 'Franklin'

The war-time captain of the USS Franklin, famous aircraft carrier severely damaged by Japanese suicide planes in 1944, will speak in Sierra Madre Monday, June 25.

Rear Adm. Leslie Gehres (USN retired) will speak at the Woman's Club following a dinner at 7:15 p. m. The meeting is being sponsored by the 48th Republican Assembly District, in cooperation with the Sierra Madre Republican Club.

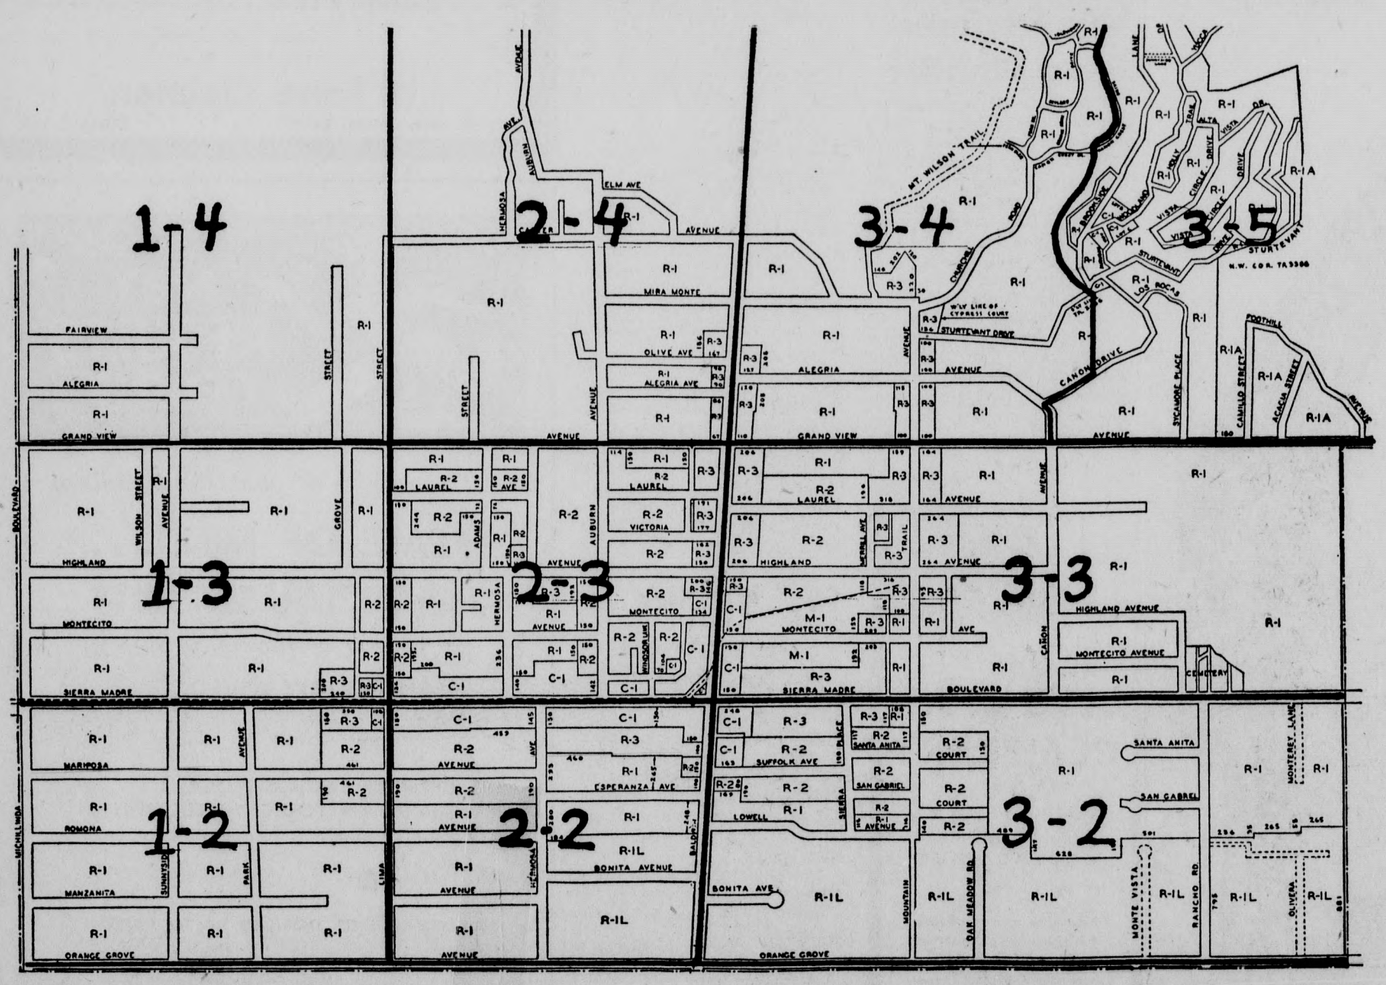

George Parr, president of the local GOP organization, said special entertainment at the dinner will be supplied by Mr. and Mrs. Harlow Mills, piano and violin instrumental team.

Brief greetings will be extended by Bruce Reagan, former assemblyman; and Frank Lanterman, assemblyman from the 48th District.

A welcome into the district will be extended representatives from Monrovia and La Crescenta.

All Sierra Madreans are invited to attend the dinner meeting, according to Mr. Parr. Al E. Morgan of the Bank of Sierra Madre is in charge of reservations.

Here's New Precinct Warden Plan

REVISED LIST of Precinct Wardens in Sierra Madre's civilian defense program has been announced by Frank Spencer, chief block warden, and Harry Lange, deputy chief block warden. The 10 Precinct Wardens are in charge of the block wardens in their respective precincts. Excepting the areas north of Carter and in the Canyon, the precincts are designated by the same numbers that have been used regularly by the Fire Department and its horn-alarm system. Sierra Madreans are urged to cut out and keep this list and map. Precinct Wardens and assistants are Charles Lauk (1-2), 409 Manzanita, and Charles Shugert 1-2), 360 Ramona; Elmer Muench (1-3), 101 N. Sunnyside, and E. R. Podliska (1-3), 650 W. Mr. Spencer reports that Sierra Madre now has 200 block wardens "with more signing up each week."

Instruction Begins Tuesday:

Registrations Opened For Tennis Tournament

Registrations were opened this week for Sierra Madre's first annual all-city Tennis Championship Tournament.

The Recreation Commission has scheduled the tourney for July 23 to 28, with all matches being played on the city park tennis courts.

City Recreation Director John E. Oden has tentatively set three age classifications: 18 and under, 15 and under, and 13 and under. It is planned that young adults, 19 and over, also would compete in their own division.

Mr. Oden said he hopes local organizations will help sponsor prizes and ribbons for the winning tennis players.

Sierra Madre probably will have tennis teams competing inthe fourth annual National

Play Safely This Vacation!

SUMMER IS FUN TIME for school-age youngsters, but it's the hazardous season for Pacific Electric motor coach operators and trainmen, who have been alerted to the increased accident potential with children at play throughout the day. Two common invitations to tragedy are demonstrated by boys (top) playing ball in the street and (bottom) risking their lives and limbs by leaping on moving freight train. "Play safely on the playgrounds," is the advice of school officials, and Pacific Electric employes say "Amen!"

Grijalva will join another Sierra Madrean, Louis Mariotti, who already has completed a semester of work in Mexico City. Gripalva's major at San Jose State was Spanish, with a minor in English. He hopes to be a teacher.

Before leaving Sunday, he spent two days with his mother, Mrs. Katherine Varela of 138 W. Highland.

Local Artists Have Art in Group Displays

The work of five Sierra Madre artists appears regularly in exhibits of the Avenue of American Art, founded by Winifred Scutt.

The organization has had paintings on display almost constantly since its founding in 1949. Sierra Madre artists participating are Alfred James Dewey, Jose Drudis, Marvin Weese, Beatrice McIvor, and Bernard Wynne.

Among the places the Avenue of American Art has exhibited are the permanent gallery at the Mar Monte Hotel in Santa Barbara, where the Fr. Junipero Serra exhibition was first shown; the Catholic Women's Club in Los Angeles; the Charles Bowers Memorial Museum in Santa Ana; and the Ruge Home, Fair Oaks avenue in Pasadena.

The Avenue of American Art plans to exhibit in other states, encouraging interest in American art and giving in paintings the history of Christianity in what ever denomination first came to their state.

Artists of the organization hope that America soon will begin to have a powerful exhibition of its Christian story in the art of the nation.

Mr. Dewey and Mr. Drudis are two of the artists exhibiting work in the current Santa Ana display. Mr. Dewey is represented by a portrait of the pioneer, Father Serra, and Mr. Drudis has on display three oils of California missions and three landscapes of Spain's island of Majorca.

Mattice's unit was to convoy this week to Hanhan, near Frankfort, for more permanent quarters.

At the time of writing (June 1), Private First Class Mattice said he had not been able to do any sight-seeing yet. He commented several times, however, on the extent of war damage still visible in Germany.

"It just makes me pray all the more that they never touch the United States with any bombs," he stated.

HOMEMAKER'S GUIDE TO BEEF CUTS

FINAL (WHOLESALE) BEEF CUTS AND THE RETAIL CUTS MADE FROM EACH

Meat Shopping Clarified by Ceiling Charts

Southern Californians who go shopping for meat next Monday, June 25, will find the mystery has been taken out of beef "ceiling" prices.

Each butcher, according to the Los Angeles Office of Price Stabilization, will post on his wall a chart showing the ceiling—or maximum legal price—for each type and grade of beef. No butcher is permitted by law to charge more than this amount, although many will charge less.

OPS meat men explained that the chart will work like this: If the housewife wants a boneless rump roast, for example, she'll look on the chart and find four ceiling prices to choose from, according to whether she insists on "choice" beef, will settle for the "good" grade, or knows how to use the cheaper "utility" or "commercial" grades which are nutritious but require longer cooking.

James T. Burt, OPS meat division chief, emphasized that the ceilings are merely the legal maximum price. Butchers are perfectly free to sell for less and may offer special sale prices any time they desire.

School Days Here Again For Nida

School days are here again for Chaplain (Major) Clarence R. Nida, former Sierra Madrean.

Chaplain Nida is one of the more than 120 ministers, priests and rabbis enrolled as students at The Chaplain School at Fort Slocum, New York. During World War II he served with the Air Force in the Pacific theater and received the Bronze Star. Up until the time of his recent recall to active duty, Chaplain Nida was pastor of Bethany Church, then, briefly, of Emmanuel Church (Baptist) of Burbank.

The Chaplain School, which serves chaplains of both the Army and the Air Force, has as its mission the special training of already professionally qualified clergymen for the specialized duties of military chaplains. There, the chaplain learns all he needs to know about such specifically military matters as the organization and administration of the service. He learns also what his responsibilities and required duties are.

To enable him better to accomplish his mission, the Chaplain School offers him special courses in counseling. The use of audio-visuals in religious training and the peculiar aspects of speaking to a military congregation.

The class of which Chaplain Nida is a member is the first to be trained at Fort Slocum. The school, which is 33 years old, has been located at nearly a dozen military installations throughout the country. It moved to New York from Carlisle Barracks, Pa., last month.

On the completion of his course here, Chaplain Nida will be stationed at Lackland Air Force Base, San Antonio, Texas.

Members of the ensemble are young people of unusual musical talent and represent four Eastern states.

"Their program will include favorite sacred compositions from the traditional tunes to arrangements which are different from anything usually heard," said the Rev. Don B. Rood, pastor.

A brief message will follow the musical program. The Rev. Mr. Rood will be speaking at the usual Sunday evening service.

This Week In Television

Comes to you through the sponsorship of these friendly merchants . If you like this TV log let them know that you saw their advertisement in the Sierra Madre News.

—EFFECTIVE JUNE 21 THROUGH JUNE 27—

Look . . . Hear, Now!

BY STUART and JANE HEINEMANN

Before getting too critical of Hollywood television in comparison to New York, it's best to take stock of the facts.

Hollywood is still working with peanut budgets—and will continue to do so until the TV network is extended here.

TV emenating out of New York reaches a simultaneous audience of some 40 million people all the way from the Atlantic to Kansas City and Omaha. TV out of L. A. reaches less than one-tenth that number. Naturally no local merchant can afford to pay what a national sponsor does. $3000 a week is a high advertising budget for a local sponsor. $30,000 is commonplace back East.

With peanuts to work with, Hollywood has still come up with some passable shows. "Time for Beany" is considered a top show by any standard. "The Ruggles" is network calibre. "Space Patrol" started a trend toward futuristic shows. And in the Western variety field, both "Spade Cooley" and Cliffie Stone's "Hometown Jamboree" have attracted national attention.

All in all, Hollywood hasn't done badly with the money it had. When the offers are larger it can produce shows like "Burns & Allen" and "Alan Young." Give it a network audience and Hollywood will come through.

YOU CAN EXPECT—

That "The Ginny Simms Show" will be dropped by KTTV soon if it doesn't get a sponsor—soon . . . that there'll be a renewal of TV "pitch deals." Some of the stations are getting hungry for business; . . . KLAC-TV has reopened the "Al Jarvis Show" for "pitch" business . . . that KFI-TV is going to start scrambling for programs when the strike ends and the new management takes over. The station probably will move to larger quarters.

COMING ATTRACTIONS—

Comedian Doodles Weaver debuts his own TV show on KNBH this Saturday on Channel 4 at 4:30 P. M. . . . Brian Aherne and Nina Foch will be seen on "Pulitzer Prize Playhouse" next Friday on KECA-TV in "The Buccaneer" . . . Doretta Morrow, singing star of Broadway's "The King and I" guests on next Thursday's "Paul Whiteman Revue," KECA-TV . . . Peruvian singer Yma Sumae guests on this Sunday's "This Is Show Business," KTSL, 7:30 P. M. She's the gal whose voice spans four octaves . . . Met opera tenor Jan Peerce, actor Walter Abel and the Bill Baird Puppets headline this Sunday's "Toast of the Town," KTSL, 8:00 P. M. . . . Sarah Churchill guests on Fred Waring's show this Sunday, KTSL, 9:00 P. M., followed by golfers Patty Berg and Jimmy Demaret on "Celebrity Time."

RADIO ACTIVE—

"Fibber McGee and Molly" will be back in the fall, but, it is reported, at a slightly reduced budget. "The Pet Milk Show," starring Jack Pearl and Mizi Benzell, is their summer replacement . . . UCLA and NBC have launched a six week summer radio workshop course . . . Alex Templeton will be guest soloist this Sunday with the NBC Symphony Orchestra, KFI, 5:30 P. M.

Biggest batch of new TV shows to be offered by any local station has been hatched by KTTV. The Channel 11 station has added: "What's the Verdict," Friday, 10:15 P. M. with local high school students demonstrating their skill in making legal decisions, Knox Manning emcees . . . "Shadow of the Cloak," new dramatic series starring Helmut Dantine, deals with international espionage for 30 minutes every Tuesday, 9:00 P. M. . . . "Midnight Movies," Monday thru Friday at 11:30 P. M. is a feature film series . . . Ronnie Kemper, familiar KLAC-TV fame, now on KTTV at 2:15 P. M. Monday thru Friday, with music and patter . . . "Joe Adams Presents," with well-known negro disc jockey, 15-piece orchestra and considerable guest talent, Tuesday, 9:30-10:00 P. M. . . . "The Billie Burke Show," 4 to 4:30 P. M., Monday thru Friday.

Staff for the five-week summer session at City School was announced by the School Board last week.

Teaching pupils of grades 1, 2, and 3 will be Mrs. Matilda Laughlin. Mrs. Boyd Keith will be teacher for grades 4, 5, and 6.

Although not strictly remedial in nature and scope, the summer session will offer study in the so-called "fundamentals" of elementary education. Classes start July 2.

Johnson Wins MA Degree

Russell Hiram Johnson, 642 N. Auburn avenue, was one of 3814 candidates for degrees Saturday, June 16, at the 107th commencement of the University of Michigan.

Johnson was to receive the degree of master of arts. Commencement speaker was Dr. Ralph A. Bunche, director of the United Nations Department of Trusteeship and a Nobel Peace Prize winner.

SALLI WINS

—From page One

Robert Heasley and H. S. Embree testified that Salli's speech was "slurred and gibberish" and his eyes dilated. Dr. P. R. Woodworth said that although no sobriety test was undertaken at the police station, it was his impression that the defendant was intoxicated.

"I can't say positively that he was intoxicated at the time, though," he added. Dr. Woodworth had been called to the police station to give first aid treatment and arrange for hospitalization.

Lorne Pratt, 677 Canyon Crest Drive, stated that he saw the light-colored convertible going down the hill "exceedingly fast" just before it hit the bump and crashed into the pole.

After motions for dismissal of both counts were denied by Judge John C. Mead, Defendant Salli took the stand. He testified that he had only two bottles of beer all day—one at lunchtime and one earlier in the evening—and said it was brake failure that caused the accident.

"I was not driving fast," Salli insisted.

Judge Mead dismissed the drunk driving charge, "since no one actually saw him behind the wheel," and fined him $35 on the local drunk ordinance.

Only other witness in the case was Officer Frank Buchanan, who was assigned to the Police Department desk the night of the accident. At Salli's request, he said he tried to phone officials of the FBI and the State Department.

What he wanted to tell FBI Agent Richard Hood was "too important for the Sierra Madre police to handle," Officer Buchanan quoted Salli as saying.

Two immigration officers from Terminal Island accompanied Salli to Sierra Madre. The defendant faces federal deportation proceedings.

Car Out of Gas, You Still Can't Park Near Fire Plug

For leaving his disabled car parked in front of a fire hydrant, Tom Dennis Murray, 32 W. Carter, paid $5 in court Saturday.

"I had no choice but to leave it," Mr. Murray told Judge John C. Mead. "My car was out of gas, all service stations were closed, and the wheels were hemmed into the curb so I couldn't push it."

Stating that it was "almost criminal negligence" to leave a car in front of a hydrant all night, Judge Mead fined Mr. Murray $10 but suspended $5.

"You should not have gone to bed leaving your car like that," he said.

DEAD POPLAR TREES ARE REALLY DEAD

The dead poplar trees on Alegria are really dead.

After several months of hopeful watching, the City Council finally gave up hope Tuesday, declared the trees dead, and ordered their removal.

It was way back on Jan. 9 when Foster Buckner first cited the "dangerous situation" arising from the presence of the dead limbs overhanging Edison electric wires. Since then, councilmen have made frequent tours along the south side of Alegria between Baldwin and Auburn, looking for "signs of life" so the trees could be saved.

Mr. Buckner, 62 Olive street, was at the council meeting Tuesday when the final verdict was reached. He punned that the city's action would be "poplar" on Alegria.

Black Named To Recreation Commission

Alexander Black, former city councilman, was appointed to serve on the Recreation Commission last week.

Mr. Black's appointment by the City Council, however, actually is a "return to office," since he was the council's representative on the commission until he resigned in April.

Mr. Black joins on the commission Chairman Charles James, Howell N. White Jr., and Milton Goldberg. The council still has to appoint its new representative as the fifth member.

Re-appointed to the Public Library Board of Trustees Tuesday night was Bayard Bigelow.

CITY TENNIS

—From page one

Public Parks and Playgrounds Tennis Championships, to be held at Arcadia County Park From Aug. 8 to 12, Mr. Oden announced.

"Sierra Madre would be allowed to enter eight players: boy and girl singles, boys doubles, girls doubles, and mixed doubles," he explained.

The Arcadia tournament would be for "juniors," players who will have their 18th birthdays on Jan. 1 or later, it was pointed out.

In conjunction with both the Sierra Madre and the Arcadia tournaments, Mr. Oden said he is starting a tennis class next Tuesday, June 26, on the city park courts. Instruction will be on Tuesdays and Thursdays, beginning at 10 a. m.

The bride wore her mother's wedding veil held in place with orange blossoms and carried a shower bouquet of white carnations and orchids. She was given in marriage by her father, C. L. Young.

SPORTS ROUNDUP

by RALPH (Val) VALENCIA

ON THE DIAMOND

Monrovia Elks' softball team defeated the Huntington Park Elks, 1 to 0, last week. Huntington Park is rated one of the best in the league.

Bill Lee, pitching for Huntington Park, struck out 14 Monrovia men. But Monrovia collected 5 hits for 1 run against Huntington Parks' 2 hits and no runs. Pitcher Al. Pospahalo of Monrovia singled in the 8th inning. Ferguson then sacrificed him to second; then Saunders doubled to left field, scoring Pospahalo to win his own game.

Next Friday, June 22, the Monrovia boys travel to Burbank for another tough game. The ball park is at the corner of Victory and Olive Sts., Burbank. (Free admission).

The baseball school Juniors held the mixed Senior-Junior team to a 3-to-3 tie game Saturday.

Due to the tardiness of some of the regulars, the game was held up an hour. Consequently 4 innings was the limit, the game being called not on account of darkness but on account of dinner time.

A few changes in the Jr. lineup was also made—Ed. Kinney playing at 3rd base and Bob Kinney moving to 2nd base in place of Mike O'Donnell. Bill Ponto of Pasadena, also a member of our school, replaced Henry Aquilas at 1st base. Dick Sirton filled the vacancy left by Mahlon Kinney in left field and did a nice job. In the third inning Stirton drew a base on balls, went to second on an error by catcher Douglas and advanced to 3rd on a perfect bunt laid down by center fielder Bob Day,, and scored on a single to left center field by Bruce Rondeau. This tied up the ball game.

David Wailes, pitching for the Juniors, held the Seniors to 5 hits, but was a little wild and allowed 7 bases on balls, with 6 strike outs.

According to Club house talk, Coaches Shepherd and Valencia think the Juniors are ready for some outside competition. So if there is any local teams of Sierra Madre or outside cities who would like to play a three-game home and home series, please contact one of the coaches. The age group for the Juniors are 10 to 15 inclusive.

Three or four of the Seniors are showing great ability and with a little more experience to knock off the rough edges, will soon be classed as finished ball players and can hold their place with the best of the Semi-pros.

DOWN THE LANES

Joe Murphy's Handicappers split 2 and 2 with El Monte last Friday night. Pop Froehlich proved to be the outstanding star of the evening, picking up a very tough 6-10-7 split with the greatest of ease. Fred Krinke of the same family did not fare so well with his maple pushers, losing 3 to El Monte's No. 1 team. Clay Nosher's pin busters gave Pasadena a rough time but could only annex 1 win from the Crown City boys.

ON THE FAIRWAYS

Geo. Larson gathered together his aspiring—or is it perspiring athletes and invated Willow-wick Golf Course Sunday and did they have golf balls flying in all directions.

Larson stroked the course for a nice 78. So with his 15 handicap, he netted a 63 to win top honors.

Gene Gretchenack took second with 89- 20 for 69; Joe Murphy and All Rabb were third best with net 70's. Jurnigan had 85-13 for 72 Krinke fumbled his way around to finish 95-18 for 77; Bob Hassinger dumped over the apple cart when he blew the 14th hole for a 10, then finished to card 107-28 for 79.

Valencia and Liscombe did not appear on any score card so we will assume they were Father's daying it.

HERE'S HOW—Lovely Linda Peterson, Queen of the 6th Annual Home Show, gets expert advice from the four golf professionals who will compete in the First National Home Show Golf Tournament today, June 21 at Pan Pacific Auditorium. The golfers who will play the entire tournament on the revolutionary Folda-Fairway pictured above are, front, Harry Bassler, Fox Hills and George Lake, Recreation Park. Standing with the Queen are Joe Robinson, Virginia, and Fay Coleman, Brentwood.

Friends Plan Institute on Foreign Policy

A faculty drawing upon the United Nations, colleges, and churches will head the 17th annual Institute of International Relations which opens June 30 for a week at Whittier College under auspices of the American Friends Service Committee.

The program will center around the theme, "American Foreign Policy—A Time for Greatness," and will use as its basis the newly-published ASFC report entitled, "Steps to Peace—A Quaker View of US Foreign Policy."

The institute is open to everyone interested in international relations—regardless of race or creed.

Kiwanians See 'Swallows' Nest'

Kiwanis Club members and their wives last night witnessed the play, "The Swallows' Nest," starring Billie Burke, at the Pasadena Playhouse.

The theater party followed a dinner at Pal-Mur's Cafe in the Sierra Madre Hotel.

GOPHERS GATHER

Annual picnic of the Minnesota State Society will be held Sunday, June 24, in Bixby Park, Long Beach.

A program will begin at 1 p. m. with music by the Long Beach Youth Band.

Orizaba Camp Rates Set for Local Boys

Sierra Madre "Y" boys' members of the Santa Anita District YMCA, will have their chance of summer camping at Catalina Island from Aug. 7-15 this year.

Joining with the Pasadena YMCA for the 50th year of camping at Orizaba, the Santa Anita District is leasing this period for boys from Sierra Madre, Arcadia, Duarte, Monrovia, and Rosemead.

According to Hubbard S. Russell Jr., general secretary, there still is time to apply for the camp, although space is limited.

The camp name, "Oriziba," means "pleasant waters," he added.

G. L. Maurer Serves Aboard Whetstone

Gordon L. Maurer, machinery repairman first class, USN, is serving aboard the landing ship dock, USS Whetstone, now operating with the US Naval forces off Korea.

Maurer is the son of Mr. and Mrs. Hugo G. Maurer, 175 N. Mountain Trail. The Whetstone serves as a mother ship to small vessels of the amphibious forces. Ships of this type are able to partially submerge to allow the smaller craft to enter her hold for repairs or transportation.

During invasions, like those at Inchon and Wonsan, Korea, the Whetstone carries tanks, landing craft, and assault troops to the beaches.

REPORTS AT PORTLAND

Charles Shippey after a two week vacation with his parents, the Lee Shippeys of Toyon Road returned to San Francisco and immediately went to Portland reporting on a new position.

LIONS' BOWLING CAPTAINS TO MEET

Bowling team captains from Lions Clubs in the San Gabriel Valley will meet this evening, June 21, with the Sierra Madre club.

Plans for the Foothill League competition will be made at the meeting, according to Sterling T. Ripple. He said 18 or 20 captains are expected to attend.

YOUTH FINED FOR PARKING ON TRAIL

Parking in the restricted Mount Wilson area netted a $5 fine this week for David Cinquini of Los Angeles.

He also was cited for smoking in the closed area.

"When the police car pulled up, I guess I got nervous and lit a cigarette," Cinquini said.

TAKEN TO SAN DIMAS

Mrs. Florence Everts of 335 N. Auburn returned from St. Luke Hospital last week where she had been for several days and was taken to San Dimas by friends. She is reported to be very poorly.

'Mystery Train' Leaves Saturday

With destination unknown, the "mystery train" of Pasadena First Baptist Church will leave the Santa Fe Station Saturday, June 23, at 12:30 p.m.

For the past two years, the church has chartered a real train to transport families to and from the mysterious site of their annual church school picnic. The train returns to the same station by 7:30 p. m.

"There's still room on the train for last-minute reservations," said Laird L. Haney, 2245 E. Mountain street, ticket chairman. "Non-members of the church are invited too."

Forced to Return To States for Medical Care

Mrs. Laura Cadmus Bezotte of Manila, the Philippines, formerly of 607 Woodland Dr., surprised this office Tuesday when she appeared. Mrs. Bezotte returned to the States a few weeks ago for medical care. She broke her left hip which did not satisfactorily mend. She will remain here for some time and is expecting Mr. Bezotte to join her for a future home in Southern California. Mrs. Bezotte is residing near San Diego for the present and is in the city for a few days.

FOOD-FOR-THOUGHT - DEPARTMENT: The San Gabriel Chamber of Commerce has set up a record-breaking $36,000 budget for next year—the largest Chamber budget in the nation for cities of 30,000 population or less. Er—what's ours going to be? Ah, but, then, we can't even get a quorum of directors at meetings of the Sierra Madre Chamber.

For the third straight year, the Harvey brothers of El Monte, California (left to right), Gene, Hank and Wayne, have devoted all of their spring-time "out of school" efforts in behalf of the Sister Elizabeth Kenny Foundation and the work of Sister Kenny. This year their efforts, so far, have produced more than $600. They are shown here presenting a check covering their collections to Andrew J. Crevolin, campaign chairman of the Foundation. Those not yet contacted have been urged to speed completion of the drive by mailing checks to Sister Kenny, Box 2211, Hollywood, Calif.

MISS JUNE ROSEN WINS GIDDINGS LANGUAGE AWARD

June Rosen, upper division June graduate of Pasadena City College and resident of Sierra Madre, was chosen as the recipient of the Clara Bate Giddings Language Award before the semester ended last week.

The annual award of $50 was established by Mrs. Giddings in 1949 upon her retirement after a career of teaching.

Miss Rosen is almost equally interested in music and in languages, but she will prepare to teach German and Latin. The local coed plans to continue her studies at UCLA.

DAUGHTER FROM GEORGIA

Mrs. Harold C. Ward, ,nee Alice Garbary, came last week from Clarksville, Gr., for a vacation at the home of her parents, Mr. and Mrs. Vejar Garbary of 90 E. Montecito. Mr. Ward expects to join his wife in Sierra Madre next month.

FIRE FLAMES

We must all be aware by now that the International Association of Fire Chiefs is making a real and serious effort to cut down the fire loss throughout the United States and the world. The association is expecting to save the lives of 4000 children this coming year, in the U. S. alone.

This is not just another of those matters that you read and then forget about. Something must be done. The fire loss of the United States is terrific. Sierra Madre has no complaint as an individual city, but the loss summed up is terrifying.

The lives of children lost, who have been carelessly left alone or permitted the use of matches and such, is due to lack of thought. We cannot leave children alone, nor trust them too far. Fire is a temptation. They should never be left alone in a car without adult supervision. A child locked in a car is nothing less than criminal. Children trapped in a room with fire cannot always be rescued.

Horrible thoughts, we must admit, but such things do happen. Our only "out" is to remain fire conscious and never forget that fire will start with very little encouragement. We in Sierra Madre are proud to say that fires here are rare.

On the other hand, we are not going to be so certain and cocksure that the whole town could not be wiped out by fire.

Big fires are the result of little ones and when a fire starts from any careless maneuver such as smoking in bed or an overstuffed chair and carelessly permitted hot ashes to drop into the mattress or upholstery, we can sooner or later expect to reach the big fire stage.

Pictures of human bodies scorched and still seated in a chair or burned in bed reach the fire station often. Horrible to look at and yet very impressive as to the importance of FIRE PREVENTION.

Don't smoke when you are sleepy!

The ashes or simmering cigarette will drop from your fingers. The sickening smoke from the bed or chair will overcome you and you will not wake up.

Arcadia Man Injured in 'Cycle Spill

An Arcadia man was injured and hospitalized Sunday evening after his motorcycle skidded and crashed on Woodland Drive.

James McCarron, 23, of 4109 Lynd avenue, suffered a compound fracture of the right leg, scalp lacerations, and numerous pavement burns in the accident. He was treated at Huntington Memorial Hospital.

Police said the motorcycle apparently hit some sand as he was going south on Woodland Drive, throwing McCarron into the street. Officers found him lying against a garage some 10 feet away from the motorcycle.

Parents See T. A. Schwartz Get Diploma

Mr. and Mrs. Thomas M. Schwartz, 246 W. Highland, traveled north to Berkeley last weekend to witness the graduation of their son, Thomas A. Schwartz, from the University of California.

Schwartz was conferred the degree of bachelor of arts. His study major at the university was in general curriculum.

RITES HELD FOR HULL'S COUSIN

Funeral services were held last week for Don Hull McCreery of Pasadena, cousin of Sierra Madrean Wilbur S. Hull and one of the engineers working on the city water diversion project.

Mr. McCreary died Monday, June 11, following a heart attack. A civil engineering graduate of Massachusetts Institute of Technology, he was a former president of the Los Angeles section of the American Society of Civil Engineers.

During the earlier phases of the Sierra Madre water conservation program, Mr. McCreery was one of the engineers working here with Quinton Engineers firm.

Alley Work Awaits Money

The city will pave and repair the alley from Lima to Grove as soon as adjoining property owners put their money on deposit.

That, in effect, was the ruling last week of the City Council, regarding a petition asking repair of the alley which parallels Sierra Madre boulevard for a distance of 205 feet.

Eight signees of the petition complained that the alley was in "deplorable condition and without any lighting whatsoever."

Councilman Herman Barter explained that it is the city's policy to do such work on deeded, unimproved land only after the adjoining property owners put up the money. Glen Watson, director of public works, estimated the cost at $400, or $1 per foot of abutting property.

AUTO SNUFFS OUT 9 LIVES

Marshmallow, pet cat of 8-year-old Gary Groomer, 465 N. Baldwin, lost all his nine lives last week when the family car backed over him.

"Marshy" will be remembered by Sierra Madreans as the 3-month-old, five-toed white kitten which, as "Gary's Wildcat," was awarded grand prize by former-Mayor J. Milton Steinberger, Fire Chief James Heasley, and Judge John C. Mead in the 1948 VFW Pet Parade.

Members of the Groomer family, incidentally, wish to thank their neighbors "who so kindly tolerated his too-frequent friendly visitations."

Mrs. Lumsdon Wins Her AB

San Jose State College held its 88th annual commencement Friday, June 15, with more than 1000 degrees conferred upon graduates.

Mrs. Jean R. Lumsdon of 200 Monte Vista received her bachelor of arts degree in education as the only Sierra Madre member of the 1951 senior class.
